GAUTENG EQUESTRIANS, CLUBS, DISTRICTS AND DISCIPLINES WORKSHOP

SAEF National will be hosting a strategic workshop around all things equestrian early November. Gauteng has been invited to submit agenda items and as such you are invited to attend a strategic planning workshop on all things equestrian.

This is an ideal opportunity to consider any and all idea's we may have as to how to

- A) Revisit equestrian funding model
- B) Better structure for equestrian sport
- C) Address anomalies within our equestrian structures
- D) What do we want equestrian to look like in 5 years' time?

Please bring your energy & ideas for us all to explore to bring us towards a common Provincial position as to the way forward for our sport.
