CIRCULAR 5/17

Dear All

### Way forward Regarding Coaching

By now you may have all read the letter posted on the SAEF Website and the various Facebook pages.

A few other letters have also been distributed either via Facebook or other social media communications which are causing confusion amongst coaches. Please note that some of the information presented by individuals are factually incorrect.

I had a lengthy telephone conversation with Ms Desiree Vardhan who is the person responsible for coaching at SASCOC this morning and I conveyed your expression of concern to her. As you well know the SAEF falls under SASCOC and therefore we have to adhere to their rules and regulations.

Subsequently, Ms Vardhan has offered an information session for all coaches and any other interested bodies or persons at SASCOC House.

This information session will be conducted by Ms Vardhan as well as members from SAQA (as CASA as it is now known meets the requirements of SAQA) who will kindly explain to everybody attending the way forward. All uncertainties and false rumors will then be put to bed.

A final date for this information session has not been set as yet but we are hoping that it would be within the next two weeks.

All information will be placed on the web and fb and we request that you be on the lookout for this. All members of the SAEF will get information per the SAEF Newsflash.

Please note it is compulsory that all Discipline National coaches attend this information session.

Kind Regards

Wessel Strauss
