28 February 2018

Dear Members

Please be advised that on Monday 26 February 2018, Adv Edeling appeared before the Ministerial Committee of Inquiry into the affairs of SASCOC, by special arrangement with the Committee at the request of the SAEF.

It had not been the intention of the SAEF to make any formal submissions to the Committee, but following certain incorrect submissions made by certain individuals regarding the affairs of the SAEF and certain of its members on 12 February 2018, we requested and were granted the opportunity to make both written and oral submissions in respect thereof.

We believe that, through our submissions, we have corrected all incorrect presentations made, both in respect of the SAEF and SANESA, and have highlighted to the Committee the extent of the incorrect presentations made by those individuals who testified, and trust that the Committee will take the necessary steps, as specifically provided for in their scope of reference, against these individuals to the extent that it is found that their submissions were in conflict with the settlement court order of the SAEF.

Please be assured that the SAEF will, itself, continue to take all necessary and further steps to protect the interest of the SAEF and our Members in this regard.

Yours faithfully

Wessel Strauss
