

Vybrant Dressage Club : Our First Development Clinic 9 February 2019!

Such positive feedback from all the riders, who had the opportunity of riding a test of their choice in front of FEI 2* Judge, Sue Horne, and getting immediate feedback afterwards. Tests ridden included all levels from Prelim to Advanced. Lovely peaceful atmosphere in the beautiful Milton International Arena at Fourways Riding Centre with its new fibre surface which rode beautifully!

Put the dates for our next Development Clinic (Saturday 30 March) in your diary!
