Gauteng Dressage Council

**ATT: Ms Siobhan Records**

Dear Siobhan,

**RE: District Representative teams at Gauteng Provincial Championships – 2017**

The SAEF Constitution, under which auspices the DSA national and Gauteng provincial constitutions have been formulated, makes provision for the formation of district representation at a number of levels. Whilst the EXCO of Vybrant Dressage Club understands that the creation of formal district representation at an administrative level is still an ongoing process, we don't believe that there is any need to prejudice athletes/participants in the meantime.

I am enquiring, on behalf on my club, about whether there will be a district team event at our provincial Gauteng championships this year? We have garnered significant interest from our members about participating in the district team event, and would like to start sending out Expressions of interest and holding qualifying events.

Please could you revert to me formally as a matter of priority.

Kind regards,

**Suzanne Horne**  
**President**
